

LYNIA LOVE

ACTRESS ♦ SINGER ♦ FILM PRODUCER

SUMMARY / BIO

Born and raised in Trenton, NJ, actress and film producer, Lynia Love, developed her passion for performing while growing up in the church. Since then, she has sharpened her skills by training under accredited acting coaches Marishka Phillips, Karen Vicks, Tracey Moore, Jonna Johnson, Tessa Faye, and Carl Kennedy, MFA.

Credits include the web series *Beyond Desperation*, directed by Damon Darrell and the feature films *Last Love Lost*, directed by Jahmar Hill, and *Love Him or Leave Him*, directed by Tim Fontaine, which **won "Best Comedy Feature" at the 2015 Urban Media-Makers Film Festival in Atlanta, GA.**

Love has also dabbled in internet radio with a stint on *Happy Hour with Chase* on Philly Hott Radio, based out of Philadelphia, PA.

In 2019, Love formed **Lady Love Productions**, an independent film production company based in the New Jersey/Philadelphia Tri-State area.

With the help of writer and director Damon Darrell of Monarch Motion and Media Films, she **executive produced and starred in her very own dramatic feature film *Providence***, in which she portrays a brazen-faced, emotionally damaged detective in hot pursuit of a serial rapist. The *Providence* trailer has **garnered 17 Best Trailer awards on the film festival circuit** so far and shows no signs of slowing down.

In 2019, Love **co-produced and co-starred** in the upcoming comedic web series *Introvert Life*, written, produced, and starring Tiffany Yancey and directed by award-winning filmmaker, Chad Eric Smith. The series, a collaboration of **Lady Love Productions** and Yancey's April Reign Productions, was successfully released in the Fall of 2020. You can now tune into Love's **new podcast** titled *Created Some ISH*, presented by **Lady Love Radio**, and she is also one of the newest co-hosts to join the Steven Knight Show.
